College, Estd. 2016) and in
collaboration with the
Doctors of Deben Mahato
Sadar Hospital, Purulia***

Held on

21st November 2019

Acknowledgement

The NSS Unit of RKMGECE owes much debt to the Office of the Principal and the Registrar's Office for their relentless assistance and to the Principal of RKMGECE in particular, who had constantly encouraged us and gave his valuable insights in organizing the Blood Donation Camp as the maiden activity of the NSS Unit. The NSS Unit feels obliged to acknowledge the Vendors who supplies regular commodities to the Hostels of RKMGECE for supporting and sponsoring the whole event of BDC with their splendid gesture of generosity. The NSS Unit of RKMGECE also owes much to the senior faculties for their constant support and guidance and to the faculty members of the whole RKMGECE for their constant cheer and encouragement. And lastly, the beloved students, who have been the central part of all these activities, and their voluntary involvement either through their organizing skill or by active participation into the BDC, which made it a grand success really demands our indebtedness to them. Without these the event could not have been successful in its maiden endeavour, is in fact beyond any reservation.

The National Service Scheme in Ramkrishna Mahato Government Engineering College, Purulia

A Brief Introduction

Ramkrishna Mahato Government Engineering College (the then Purulia Government Engineering College) was established on 10th August, 2016 with five major departments of engineering curricula, viz. Department of Civil Engineering, Department of Electrical Engineering, Department of Electronics & Communication Engineering, Department of Computer Science & Engineering, the Department of Mechanical Engineering and the Basic Sciences & Humanities Department serving all the five departments, with an estimated capacity of 1300 students. The *National Service Scheme (henceforth the NSS)* was first introduced and conceptualised in the activities of the *Ramkrishna Mahato Government Engineering College, Purulia (henceforth RKMGECE)* from the academic session 2018 – 19, followed by a T.C. meeting held on 19.09.2018 under the leadership of Mr. Debabrata Ray, Asst. Prof. of Economics, *Dept. of Basic Sciences & Humanities (henceforth BSH)* as its first ever Teacher – in – Charge (henceforth TIC) and Mr. Sourav Hazra, Asst. Prof. of Civil Engineering, *Dept. of Civil Engineering (henceforth CE)*, Dr. Abdur Rahman Sardar, Asst. Prof. of Computer Science & Engineering, *Dept. of Computer Science & Engineering (henceforth CSE)* and Mr. Sourav Tola, Asst. Prof. of Electrical Engineering, *Dept. of Electrical Engineering (henceforth EE)* as Asst. TICs respectively.

Even though the formation of the NSS unit in RKMGECE was done formally, the activities could not have been made realized until the academic session 2019 – 20, due to many unavoidable circumstances, one of which is, primarily a great concern of the necessary funds to make it possible.

The NSS Unit in RKMGECE was revamped for the academic session 2019 – 20 in a T.C. meeting held on 08.06.2019, where the following team was selected for it to function more coherently under the leadership of Mr. Santigopal Maity, Asst. Prof. of Electronics & Communication Engineering, *Dept. of Electronics & Communication Engineering, (henceforth ECE)* as its first ever *Programme Officer*, and Mr. Debabrata Ray, Asst. Prof. of Economics, *Dept. of BSH* as its *Programme Coordinator*, which made sure the representation of all departments in the general activities of the NSS wing –

SI No.	Members of the Committee	Designation	Department
1	Mr. Dababrata Ray	Assistant Professor	Basic Science and Humanities
2	Dr. Jayanta Chandra	Associate Professor	Electrical Engineering
3	Mr. Sourav Hajra	Assistant Professor	Civil Engineering

6	Mr. Pabitra Roy	Assistant Professor	Computer Science and Engineering
7	Mr. Santigopal Maity	Assistant Professor	Electronics and Communication Engineering
8	Mr. Md. Sahariat Hossain	Assistant Professor	Mechanical Engineering

Therefore, the NSS Unit of the RKMGECE has started its journey, effectively, under the abled leadership of Asst. Prof. Santigopal Maity of the ECE dept. as its Programme Officer, and with the active support from the rest of the members of the NSS Unit functioning in the academic session 2019 – 20.

The notice for enrolling names for registration in NSS Unit of RKMGECE was rolled on 10.11.2019 (mostly for the 2nd and the 3rd year students) and an overwhelming response was received from the students of RKMGECE, across all the departments. The department wise enrolled students' summary is as follows –

The NSS Unit RKMGECE started its maiden activity by organizing a Blood Donation Camp (*henceforth* BDC) on 21st November, 2019, with the help of the member students of the NSS Unit and in collaboration with the Doctors of the Deben Mahato Sadar Hospital, Purulia, second to the BDC organized independently by the dept. of EE, earlier in the month of July – August 2019.

Report of the BDC held on 21.11.2019

The organization of a BDC under the aegis of the NSS Unit of RKMGEC was conceptualized in an NSS Committee meeting held on 14.11.2019, followed by a request received from the doctors of the *Deben Mahato Sadar Hospital, Purulia* at the advent of an ongoing blood supply crisis in the *Purulia Blood Bank*. The NSS Unit of RKMGEC, found this opportunity as a privilege to open its chapter into its journey ahead in service to the Nation, amidst its major regular academic activities, as envisaged into the Motto of NSS, ""Not Me But You", which reflects the essence of democratic living and upholds the need for self-less service. Keeping the grand philosophy of the NSS upfront, in this motto, which underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society. The tagline for the BDC was, **"You don't have to be a doctor to save lives, just donate blood."**

To this, a BDC organising committee was initiated under the guidance of the NSS Unit, comprising 10 volunteers, of which 8 are chosen from among the registered students and 2 were from the Office of the Registrar, RKMGEC. The team of volunteers is in the following table –

More than 100 students across the departments had responded in initial call to the BDC, which was indeed an overwhelming response.

On this occasion the BDO of Joypur, Purulia under the Jhalda subdivision and Joypur Panchayat Samity was invited as the Chief Guest and Shri Mahakash Chowdhury, the Inspector in Charge of the Joypur Police Station along with Srimati Mamani Mataji, the Secretary, Saradamani Mission, Bartand, Vill. – Agharpur, was the Guests of Honour. The inaugural session was held at the Seminar Hall in the ground floor of the Academic Building. The BDC was set at the Seminar Hall in the first floor of the said building with an arrangement of four beds, three medical attendants/staffs of the Purulia Blood Bank and two doctors of Deben Mahato Sadar

Hospital, Purulia, under whose supervision the whole thing would be conducted. All the Heads of the Departments, a good number of other faculty members and the NSS Committee members, together with more than 100 students were present at the inaugural ceremony.

The inaugural session began, as was orchestrated, sharp at 10.30 a.m. with a short but a very enthusiastic speech of the Principal of RKMGEC, Prof. Bibek Chakrabarti and followed by the speech of the Chief Guest of the ceremony, the BDO of Joypur.

The Chief Guest, in his speech, welcomed the initiative of the NSS Unit of RKMGEC with such a generosity that touched upon the gathering of more than 100 students and the distinguished other guests and the present faculty members. He stressed upon the need for more activities like this, not only BDCs, but other such activities which will help and perhaps play an instrumental role in uplifting the general condition of the surrounding environment of the college through the engagement and active participation of our beloved students.

The Guest of Honour, Shri Mahakash Chowdhury, the Inspector in Charge of the Joypur Police Station, then spoke a little about the need for such programmes quite often and shared his delight in being invited upon a ceremony with a Nobel gesture and which particularly was one of its kind in such an institution involved in imparting higher education in the most backward regions of the district. He also favoured in the tone, set right by the Chief Guest, that such initiatives be taken more and more in order to make a long-lasting impact of our services.

Srimati Mamoni Mataji, the Secretary of Saradamani Mission of Bartand, the other Guest of Honour, then delivered her speech, whose Ashrama is just by the side of the RKMGEC premise and involved in rendering community services for more than 19 years, completely shouldered by her exemplary responsibility towards the downtrodden of the society and with the aid of the local government bodies. She highly praised the initiative taken by the NSS Unit of RKMGEC through its maiden activity and also shared her valuable insights, which she gathered during her service for more than 19 years, with the august gathering. She pointed out the need

for different awareness programmes, more than anything, to make our impacts everlasting and reminded the audience the beauty of working together, in caring through sharing.

The inaugural session then followed by a brief speech of one of the Doctors attending the BDC, and then followed by a speech of Dr. Jagabandhu Shit, the Head of the Department of the Mechanical Engineering Department, Dr. Jayanta Chandra, the Head of the Electrical Engineering Department, Dr. Latibuddin Thander, the Head of the Basic Sciences & Humanities Department, Mr. Debabrata Ray, Asst. Prof. of the Basic Science & Humanities Department, and also the Programme Coordinator of the NSS Unit, and finally the ceremony was concluded by a generous vote of thanks, delivered by Mr. Santigopal Maity of Electronics and Communication Engineering Department and also the Programme Coordinator of the NSS Unit of RKMGEC.

Mr. Santigopal Maity, Asst. Prof. of Electronics and Communication Engineering & the Programme Officer, NSS Unit, RKMGEC giving the vote of thanks at the end of the inaugural session of the BDC

The whole inaugural session was anchored by Mr. Santigopal Maity, the Programme Coordinator of NSS Unit of RKMGECE and who had been instrumental in making this event successful. The whole inaugural session was lasted about one hour. In the meantime, the BDC was initiated and group of 10 students first donated their blood, making the mark of the NSS Unit of RKMGECE for the first time since 2016, the year of establishment of the College.

The whole BDC received an overwhelming response from the students of the RKMGECE, across all the departments, members and non-members of the NSS Unit alike.

Each student filled up a mandatory form for initial inspection of their health-related information and then examined by the two Doctors for the final go. Then they were given a queue number and they queued up patiently to donate their blood.

Initially the whole BDC was assumed to be held time bound, starting at 10.30 a.m. in the morning till the 2.30 p.m. in the afternoon. However, with the overwhelming response, it continued till 5.30 p.m. in the afternoon. Such was the magnanimity of the maiden programme of the NSS Unit of RKMGECE which was enough to morally boost up the registered member and non-member students and the teachers alike to carry on the legacy of such services more and more, as often as possible!

Among the participants were three faculty members and one technical assistant of the RKMGEC. Mr. Santigopal Maity, Asst. Prof. of Electronics and Communication Engineering and the Programme Officer, Mr. Debabrata Ray, Asst. Prof. of Economics and the Programme Coordinator of NSS Unit, Mr. Biswajit Sing Sardar, Asst. Prof. of Mechanical Engineering and Mr. Sukhendu Majumeder, Technical Assistant of Electrical Engineering Department generously and voluntarily donated their blood in this BDC. Apart from them, a total 105 units of blood were collected from this BDC. The total units collected therefor 109, which is more

than expected for a BDC organised within a very short span of time, just well over a notice of less than seven days! The exhaustive summary of blood donors are as follows –

More no. of students was awaiting to donate their blood but could not be accommodated due to paucity of time.

The BDC was over at around 5.45 p.m. in the evening and the students who were fortunate enough to donate their blood including faculties were honoured with a Badge, shaped in a drop of blood that read “Voluntary Blood Donor ° Govt. of West Bengal” and the official emblem of the Government of West Bengal at the centre. The participant donors were also awarded with a certificate of appreciation from the Purulia Blood Bank, Govt. of West Bengal. The BDC organising committee member students are to be provided with a certificate of appreciation for organising BDC under the aegis of NSS Unit of RKMGEC. The estimated total cost of the BDC was Rs. 10000.
